PREAMBLE:

The Proposal of M/s Dhruvdesh Metasteel Pvt. Ltd., to establish an "Mini Integrated Steel Plant with 10 MW Captive Power Plant" at Hirebaganal Village, Ginegera Post, Koppal District with an investment of Rs. 145.78 crores in 46.07 acres of land was approved 13th SHLCC meeting held on 13.03.2008. The Government Order was issued vide Government Order No. CI 72 SPI 2008, dated: 29.04.2008 read at (2) above .

Now, the company vide its letter dated: 23.10.2013 has submitted that, they have already commissioned the "Second Unit 100 TPD Sponge Iron Plant and 10 MW Captive Power Plant" with a capital investment of Rs. 120.00 Crores and created employment for about 300 persons. But however all the facilities are not implemented due to the following reasons:

a) Mining Lease - The allotted ore reserve in Chikanayakanahalli of about 1 Million TPD is in sufficient.

b) On absence of the sufficient ore, company is compelled to purchase iron ore from the open market at very high rates which have affected the margins under these circumstances bankers have advised the company to implement the project in phases.

c) The procedural delays in taking physical possession of land.

d) Now, bankers are seeking extension of time for implementation of the project for further funding .

In view of the above, company has requested for extension of time for 2 1/2 years to implement the project.

In the 33rd State High Level Clearance Committee (SHLCC) Meeting held on 19.11 .2013, the proposal of the Company was discussed and approved.

3) Proceedings of the 33rd State High Level Clearance Committee (SHLCC) meeting held on 19.11.2013

PREAMBLE:

The Proposal of M/s Orient Cement Ltd., to establish "Cement Plant for Manufacture of 4 MTPA Cement and 3 MTPA Clinker with 50 MW Captive Power Plant" at Itagi, Mogla, Digaon Villages, Chittapur Taluk, Gulbarga District with an investment of Rs. 1294.00 crore, was approved 17th SHLCC meeting held on 28.01.2009. The Government Order was issued vide Government Order No. CI 60 SPI 2009, dated: 11.08.2009 read at (2) above.

The company in their letter dated: 21.09.2012 informed that they have already purchased 1323 acres of land out of 1750 acres U/s 109 of KLR Act and requested for granting permission for replacement of 275 acres of Gomala & Government land which are out of their required area, with lands which are within their mining and factory area to make it contigious one.

Accordingly, company in their letter dated: 27.09.2012 have submitted list of revised sy. nos indicating the area required to the extent of 1750 acres for mining and cement factory including power plant and requested for approval to purchase these lands U/s 109 of KLR Act.

There is no change in the extent of the land and also the villages. In view of this, the subject was placed in the 174th State High Level Screening Committee held on 21.12.2012.

The proposal of the company was discussed in detail and the committee directed the company to furnish details of effective steps taken to implement the project and deferred. The company in its letter No: ORCEM:PROJ:0458, dated: 20.12.2012 has submitted the status of implementation of the project.

Further the company in its letter No:OREC:PROJ:4406 dated: 20.12.2012 has requested the additional land which is necessitated due to following facts as stated in the referred letter.

1. Government of India, Ministry of Environment & Forests (MOEF) directive for Green belt development in 33% of project area.
2. Construction of water tanks for storing water requirement for five months operation Cement Plant, Power plant, Limestone mining, Residential colony etc. as Government of Karnataka likely to allow us water pumping for the river for only seven months in a year and for balance five months, the requirement has to be met from storage.
3. Construction of railway line form Chittapur railway station to railway siding within our cement plant area.
4. Providing land to KPTCL for switch yard etc, outside the factory area.
5. Construction of Staff Colony, Dispensary, School & other civic amenities etc.,

Hence the company has requested the committee to consider and approve the following:

"Revised sy. nos indicating the area required to the extent of 1750 acres for mining and cement factory including power plant".

In the 33rd State High Level Clearance Committee (SHLCC) Meeting held on 19.11 .2013, the proposal of the Company was discussed and approved.

Government has examined the recommendations made by the State High Level Clearance Committee in the 33rd Meeting held on 19.11.2013, in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 60 SPI 2009, BANGALORE, DATED: 09.01.2014

The Government is pleased to approve acquisition of 275 acres of land in Sy. Nos. as per the Annexure out of the 1750 acres already acquired for the project and grant extension of time to M/s Orient Cement Ltd., to implement the project approved vide Government Order No. CI 60 SPI 2009, dated: 11.08.2009 for further period of two years from the date of issue of this order.

4) Proceedings of the 33rd state High Level Clearance Committee (SHLCC) meeting held on 19.11.2013.

PREAMBLE:

The Proposal of M/s Manyata Developers Pvt. Ltd., to establish a "IT/BT/BPO Park with Hotel, Serviced Apartments, Residential Condominium and Other Common Facilities" at Kotnatevaru, Kondanahalli and Collcholli Villages, Devanahalli Taluk, Bangalore Rural District with an investment of Rs. 1880.27 crore, was approved 22nd SHLCC meeting held on 24.05.2010. The Government Order was issued vide Government Order No. CI 190 SPI 2010, dated: 02.06.2010 read at (2) above.

In the 33rd State High Level Clearance Committee (SHLCC) Meeting held on 19.11.2013, The State High Level Clearance Committee noted the opinion given by the Advocate General of Karnataka in his letter dated: 06.11.2013 regarding M/s Manyata Developers Pvt. Ltd.. as per the decision of 32nd SHLCC. Committee noted the Advocate General of Karnataka's opinion which is as under:

"Even without resorting to the process of securing change of land use under Section 14 A of the KT & CP Act, it is open to issue a declaration under Section 3 of the KIAD Act if the following steps are adhered to before doing so:

1) The Government should balance the requirements of both enactments to so as to provide an harmonious construction of both the statutes.
2) Before a Notification under Section 3(1) of the KIAD Act, the Government should consider the fact that such a declaration would result in change of land use.
3) There should be a clear indication of the application of mind to all aspects of the matter relating to change of land use where the land is to be declared as an industrial area as against the earlier earmarking for a different purpose.
4) There should be a clear finding that development of such industry is possible only in that area and that area alone is suitable for the purpose and that there is no other alternative,

If these steps precede the decision to notify under Section 3 (1), then the Notification under Section 3 (1) of the Act would be legal and valid.

Further Advocate General has mentioned that pursuant to the resolution of the State High Level Clearance Committee dated: 24.05.2010, a Government Order was issued on 04.06.2010. A perusal of the said G.O indicates that the G.O is valid only for a period of two years. In other words, the Government Order approving the project in question has lapsed on the expiry of two years from the said date. In this view of the matter, if the Government is still interested in considering the project, the entire exercise will have to be undertaken afresh in the light of the law set out in the earlier paragraphs.

The committee noted the opinion of the Advocate General along with the fallowing salient features in the present case. A conjoint reading of both the facts at hand herein and the opinion of the learned Advocate General would summate as under:

The Karnataka Industrial Area Development Act, 1966 is an enactment not only with an intent and purport of developing industrial area in the state but also to have a planned approach of industrial lands. The initiatives of planning in terms of the KT & CP Act and the KIAD Act, 1966 are to be in consonance with one another. In view of the aforementioned the following facts were discussed:

1) The lands in question form a part of a contiguous block with the lands notified for IT Park Industrial Area in terms of an earlier notification, dated 25.09.2008. Not to mention contiguity, compactness and integrated nature of the land adds to the already existing industrial infrastructure created for the IT Park Industrial Area. In view of the same the contiguity, compactness and existing infrastructure form the furtherance of the essential object of both the enactments, the KT & CP Act and the KIAD Act, i.e.. planned development.
2) A combined layout map of Bangalore Hardware - IT /BT - Areospace and SEZ Parks at Devanahalli, Bangalore adjacent to the Bangalore International Airport (yet another acquisition under the KIADB, i.e.. industrial land) are part of villages that are adjacent to the present lands forming a contiguous, compact block of industrial lands. Not to mention the project proponent has procured the consent of the land owners whose lands are situated adjacent and adjoining to the existing land situated at ITBT Industrial Area. The proposed acquisition will enable the formation of a better, larger and well equipped industrial land/area rather than having a small piece/patch of lands earmarked for agriculture amongst, rather in the midst, of large contiguous industrial lands.
3) The lands proposed to be acquired for the project proponent herein are situated at Gollahalli-Kotnathevaru-Kondanahalli villages. All villages adjoining the area proposed for the project herein, i.e., Bandikodigehalli Gollahalli, Singalli, Arebinnmangala. Huvinaykanahalli, Mahadevakodigenahalli, B. K. Palya, kothnathevaru, Kondanahalli for industrial areas acquired for Hardware - IT /BT - Areospace and SEZ Parks. These lands are already existing industrial lands. The lands proposed for acquisition form a contiguous block with the lands mentioned hereinabove. In view of the contiguity, compactness and integrated nature the lands are ideally suited for industrial usage.
4) The said lands are for a Single Unit Complex and incidentally the project proponent has procured consent as regards most of the lands proposed for acquisition. The requirement of a track to an extent as required by the petitioner coupled with other factors as mentioned hereinabove make the proposal of the project feasible in 'the very lands and the said lands are the only lands ideally suited for the project.

Incidentally, the opinion of the learned Advocate General read in consonance with the facts on hand in the present case would reveal that the lands are ideally suited for the proposed project and the same is to be encouraged. The case at hand herein is one wherein change in land use as contemplated under the KT & CP Act, is not required as the case squarely fits into the parameters as assigned by the learned Advocate General for harmonious reading of both enactments, i.e., the KT & CP Act and the KIAD Act. In turn, making the proposal at hand, a fit case for issuance of notification under section 3(1) of KIAD Act, 1966.· In view of the same the committee decided to encourage the project. The committee ratified the issuance of GO dated 15.3.2013 and granted 2 years extension of time to implement the project.

Government has examined the recommendations made by the State High Level Clearance Committee in the 33rd Meeting held on 19.11 .2013, in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 158 SPI 2012, BANGALORE, DATED: 03.01.2014

Action taken by Commerce and Industries Department as per Government Order No. CI 158 SPI 2012, dated: 15.03.2013 is ratified. Further the Government is pleased to grant two years extension of time from the date of issue of this order to M/s Manyata Developers Pvt. Ltd., to implement the project approved vide Government Order No. CI 190 SPI 2010, dated: 02.06.2010 and Government Order No. CI 158 SPI 2012, dated: 15.03.2013.

All other terms and conditions indicated in the Government Order dated: 02.06.2010 read at (2) above, remain unaltered.
